

HTML, Web & Internet — Final Question Paper

Saare 34 topics cover — HTML basics se lekar DNS deep dive tak. Mixed question types taake har concept alag angle se yaad rahe: fill-in-blank, true/false, MCQ, short answer, code recall aur compare/contrast.

KAISE ATTEMPT KAREIN

- Pehle bina notes dekhe khud se jawab dene ki koshish karein — yehi active recall hai jo memory strong karta hai.
- Har topic ke 2-3 questions hain, mixed formats mein (tags niche har question par diye hain).
- Answer key sab se neeche ek collapsible section mein hai — sirf self-check ke liye kholein, pehle khud attempt karein.
- Agar koi jawab yaad na aaye, us topic number ko note kar lein aur wapis original notes mein revise karein.

PART 1 · HTML FOUNDATIONS

Topics 1–16

1 HTML Kya Hai — Introduction

FILL BLANK HTML ka full form _____ hai.

SHORT HTML actually website ka kya decide karta hai — sirf appearance ya kuch aur bhi?

2 Text Editor Choose Karna

TRUE/FALSE Microsoft Word HTML likhne ke liye ek acha choice hai. (True/False)

SHORT Beginners ke liye Windows aur Mac par kaunse simple editors recommend kiye gaye hain, aur unka fayda kya hai?

3 Pehli HTML File Banana (Skeleton)

CODE RECALL Basic HTML skeleton likhein: `<!DOCTYPE html>` se shuru karke `<html>`, `<head>`, `<title>`, `<body>` tags ke sath.

SHORT `index.html` file ka naam special kyun hai?

FILL BLANK Agar `<body>` ke andar `<p>` tag daalein, to wo `<html>` ka _____ kehlayega (parent/child/grandchild mein se).

4 Basic HTML Tags

MCQ Konsa tag "subscript" ke liye use hota hai jaise H₂O mein "2"?

- A) `<sup>`
- B) `<sub>`
- C) `<small>`
- D) `<big>`

SHORT HTML whitespace (blank lines/spaces) ko kaise treat karta hai? Layout kis cheez se decide hoti hai?

FILL BLANK `h1` se `h6` tak, _____ sab se bara heading hai aur _____ sab se chota.

5 Comments

CODE RECALL Ek HTML comment likhein jo "TODO: fix navbar" kahe.

SHORT Comments ke do main use-cases kya hain?

6 Styles aur Colors

SHORT Agar body ka background-color blue ho aur ek `<p>` ka apna background-color red ho, to paragraph ka background konsa dikhega, aur kyun?

FILL BLANK Poora styling system jise ye ek basic intro hai, uska naam _____ hai.

7 Layout Tags (Structure)

COMPARE `<section>` aur `<aside>` mein kya farq hai?

SHORT Semantic layout tags (header/main/footer etc) generic `<div>` se behtar kyun hain? Do reasons dein.

8 Links (Anchor Tag)

CODE RECALL Ek link likhein jo Google ko naye tab mein khole.

COMPARE Absolute URL aur relative URL mein farq batayein, aur har ek kab use hota hai.

9 Images

SHORT `alt` attribute ka kaam kya hai, aur ye hamesha kyun add karna chahiye?

SHORT Agar original image 300×200 hai (3:2 ratio) aur aap ise resize kar rahe hain, to width/height set karte waqt kya dhyan rakhna zaroori hai?

10 Videos

FILL BLANK Video ke play hone se pehle jo thumbnail dikhti hai, wo _____ attribute se set hoti hai.

COMPARE Local video embed karne (`<video>`) aur YouTube video embed karne (`<iframe>`) mein basic farq kya hai?

11 Lists

MCQ Ordered list mein `type="i"` dene se numbering kaisi hogi?

- A) 1, 2, 3
- B) A, B, C
- C) i, ii, iii
- D) I, II, III

SHORT Description list (`<dl>`) mein `<dt>` aur `<dd>` ka kya kaam hai?

12 Tables

SHORT `colspan="2"` kisi `<td>` par lagane se kya hota hai?

COMPARE `<th>` aur `<td>` mein farq batayein.

13 Containers — Div aur Span

COMPARE Block aur inline elements mein farq samjhayein, aur `<div>` / `<span>` mein se konsa kaunsi category mein aata hai.

SHORT `<div>` generally kis maqsad ke liye use hota hai jabke `<span>` kis ke liye?

14 Input Tags aur Forms

SHORT Sirf HTML se input elements banana kyun functional nahi hota? Kya cheez chahiye hoti hai?

COMPARE Checkbox aur radio button mein behavior ka farq kya hai?

15 iFrames

SHORT Kuch bari websites (jaise Amazon) apni site ko iframe mein embed hone se kyun block karti hain?

16 Meta Tags (SEO)

SHORT `viewport` meta tag itna important kyun hai?

FILL BLANK Meta description ki ideal length _____ characters ke around honi chahiye.

PART 2 · EXTENDED TOPICS

Topics 17-28

17 HTML vs CSS vs JS — Roles Compared

SHORT Simple ek-line yaad rakhne ka tareeqa batayein: HTML = ?, CSS = ?, JS = ?

COMPARE Browser HTML ko kis object model mein aur CSS ko kis object model mein convert karta hai?

18 Label, Select aur Button Tags

SHORT `<label>` ka `for` attribute kis se match hona chahiye, aur is se kya practical fayda hota hai?

MCQ Konsa button type kuch bhi submit nahi karta, sirf JavaScript se attach hone ke liye hota hai?

- A) submit
- B) reset
- C) button
- D) select

19 Native Form Validation Attributes

CODE RECALL Ek email input likhein jo required ho.

SHORT Client-side validation (required, pattern, etc) kaafi kyun nahi hoti? Server-side validation kyun bhi zaroori hai?

20 Tables — Kab Use Karni Chahiye

SHORT Layout ke liye tables use karna accessibility aur SEO ke liye bura kyun hai?

21 Accessibility Basics

SHORT "Landmarks" kya hote hain aur screen reader users inhe kaise use karte hain?

FILL BLANK Quick accessibility checklist: har image pe _____, har input pe associated _____, headings _____ mein.

22 How the Web Works — Browser, DNS, HTTP

SHORT DNS ko "phone book" kyun kaha jata hai? Ek line mein samjhayein.

SHORT Ek HTTP request ke 4 main parts kya hote hain?

23 How the Web Works — HTTPS, JSON, WebSockets

COMPARE Normal request/response pattern aur WebSockets mein basic farq kya hai?

SHORT Mobile apps HTML ki jagah kya mangte hain server se?

24 How the Internet Works — LAN, Switch, Router

COMPARE Switch aur Router ke kaam mein farq batayein.

FILL BLANK Wireless version of a switch _____ kehata hai.

25 How the Internet Works — Packets aur Internet ki Structure

SHORT Internet ko sirf ek bara router se kyun nahi banaya jata — 3 reasons dein.

SHORT Continents ke darmiyan internet traffic zyada tar kaise transfer hota hai?

26 How the Internet Works — WAN aur VPN

SHORT VPN mein "tunneling" ka concept kya hai? Ek analogy ke sath samjhayein.

COMPARE Private WAN aur Public WAN (VPN) mein security aur cost ka farq kya hai?

27 How the Internet Works — ISP Hierarchy aur Peering

SHORT Local, Regional aur Global ISP mein farq batayein.

SHORT "Peering" kya hai aur Google jaisi companies ise kyun use karti hain?

28 How the Browser Works — Rendering Engine

SHORT Raw bytes se DOM banne tak ke steps sequence mein likhein (5 steps).

SHORT JavaScript rendering ko "block" kyun kar sakti hai, aur is problem ka modern solution kya hai?

PART 3 · PROTOCOLS DEEP DIVE

Topics 29–34

29 Internet Protocols — TCP/IP, Ports aur Sockets

COMPARE TCP aur UDP mein farq batayein — konsa reliable hai aur konsa fast?

FILL BLANK Socket = _____ + _____ ka combination hota hai.

SHORT Port 80 aur port 443 kis-kis ke liye default hain?

30 SSL/TLS — Encryption, Certificates aur Handshake

SHORT SSL/TLS ke teen core concepts (Certificate, Handshake, Encryption) mein se har ek ka kaam ek line mein batayein.

SHORT Certificate Authority ka role kya hota hai?

31 HTTP Ki History — 0.9 se HTTP/1.1 Tak

COMPARE HTTP/1.0 aur HTTP/1.1 mein sabse bara improvement (persistent connections) kya solve karta hai?

SHORT HTTP/0.9 mein kaunsa method available tha, aur kya missing tha (headers, status codes)?

SHORT HTTP/1.1 ka "head-of-line blocking" masla kya tha?

32 HTTP Ki History — SPDY aur HTTP/2

SHORT SPDY ka core idea kya tha — bandwidth vs latency ke baare mein?

SHORT HTTP/2 ki "Multiplexing" feature kya solve karti hai?

TRUE/FALSE HTTP/2 ki official spec mein encryption mandatory hai, lekin practically har browser sirf TLS ke sath hi support karta hai. (True/False)

33 DNS Deep Dive — Nameservers aur Resolution Process

SHORT Library analogy use karke 4 DNS server types (Recursor, Root, TLD, Authoritative) ka kaam batayein.

SHORT 8-step DNS lookup process ko apne alfaz mein sequence se likhein.

34 DNS Deep Dive — Query Types aur Caching

COMPARE Recursive query aur Iterative query mein farq batayein.

SHORT DNS caching kitne levels par hoti hai? Naam batayein.

FILL BLANK TTL ka full form _____ hai, jo batata hai record kitni der cache mein reh sakta hai.

► **Answer Key Kholein (sirf self-check ke liye — pehle khud attempt karein)**
